

## What is a TMDL Implementation Plan?

 TMDL study tells us what we need to do,

- TMDL implementation plan tells us how.
- Outlines actions to meet TMDL allocations.
- Guides implementation efforts.

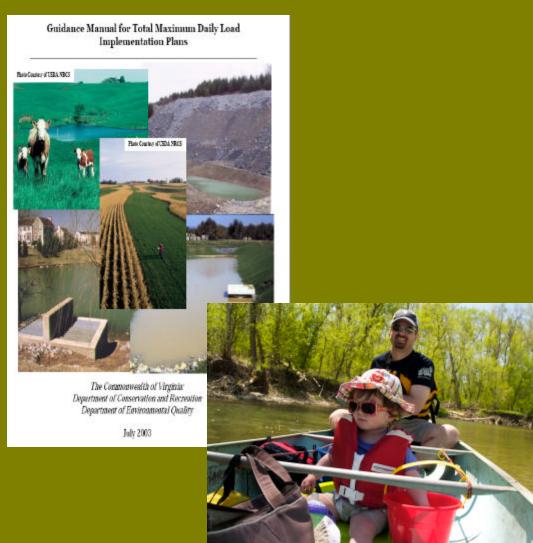

## Why Implementation Plans?

- Implementation plan development is required by state legislation
- Supported by federal, state, and local organizations
- Procedures outlined in DCR & DEQ
  Implementation Plan
  Guidance Manual

## Potential Funding

## What can you do in the meantime?

- Promote BMP installation
- Initiate educational and outreach activities
- Continue stream monitoring – DEQ, citizen monitoring
- Identify funding opportunities
